Re: Case Request, File No. LRL-2011-922-sam

Dear Mr. Townsend:

After discussions with your Regulatory Branch, I am requesting that you forward a copy of the following case file to the U.S. Environmental Protection Agency - Region 5 to act as the lead enforcement agency for a possible action against All American RV Resorts I, LLC, for alleged Clean Water Act – Sections 301 and 404 violations for discharges into wetlands adjoining the shoreline of Blue Lake in Whitley County, Indiana without a permit:

- LRL-20110-922-sam (All American RV Resorts I, LLC).

This request is in accordance with the January 1989 Memorandum of Agreement Between the Department of the Army and the Environmental Protection Agency Concerning Federal Enforcement for the Section 404 Program of the Clean Water Act.

We ask that you also do a complete database check to uncover any prior actions by All American RV Resorts I-V, LLCs – Mr. Brian Schaper operates four other similarly named facilities in Indiana - and include those files in your referral package to us. Otherwise, please refrain from processing any current or future permit application for All American RV Resorts I, LLC until we have completed our enforcement action or have otherwise returned the files to you. We will coordinate with your District and IDEM staff prior to proceeding with any action on this matter.

If you have any questions, please contact me or Mr. Greg Carlson at 312/886-0124.

Sincerely,
